LADIES TO TAKE PART IN G. O. P. CAMPAIGN

ENTHUSIASTIC MEETING OF REPUBLICANS HELD AT THE DOUGHERTY HALL LAST NIGHT.

(From Sunday's Daily)

Prescott's republicans expect to have the ladies of the republican faith among the most enthusiastic workers in the coming campaign if one can figure by the action of the mass meeting held at Dougherty's hall last night when preliminary steps were taken towards the organization of the Republican Club of Prescott. Another evidence of consideration for the feminine vote was shown by the decision to appoint the ladies on the membership committee and arrange for a good orchestra and a dance to follow the regular business of permanent organization.

In spite of the inclement weather Dougherty's hall was well-filled. Nearly fifty men were present when C. M. Raible, chairman of the republican county central committee, called the meeting to order.

Mr. Raible read the constitution and by-laws of the Phoenix Republican Club. This provided that the membership be limited to male citizens. The Prescott republicans decided that their club should make no distinction as to sex and when the membership committee was appointed a number of well-known ladies interested in republican policies were named to serve with the men who were known to be interested in republicanism.

A letter from Thomas E. Campbell expressed his regret at not being able to attend the meeting and advised the importance and necessity of a compact organization in Prescott of all those who were interested in the building up and maintaining of a constructive policy for the protection of American labor and American industries, the maintenance of American dignity, and the safety of American citizens throughout the world. He urged, especially, that republicans in office be allowed to remain in the background and the control of the club be left to others.

Judge F. O. Smith suggested the election of a temporary chairman and a temporary secretary to arrange for a meeting at which a permanent organization might be effected. Richard Lamson was chosen as chairman of the meeting and A. H. Powers as secretary.

A suggestion for the appointment of a committee on constitution and by-laws was voted down on the ground that this matter should be left for the meeting at which the permanent organization would be effected. The following committee on membership was then appointed:

C. M. Raible, C. E. Gentry, Richard Lamson, Robert Chambers, Daniel E. Parks, Joseph Scherer, E. J. Mitchell, E. O. Smith, P. K. Milnes, Barney Smith, J. C. Young, LeRoy Anderson, T. F.
